It's Time to Take Action

- Spend time reflecting and make a list of products you'd like to create or learn how to create.
- Keep that list handy but pick ONE project to focus on next.
- Schedule times in your calendar to create that product.
- Rinse and repeat... set a schedule for yourself such as: "I'll create a new product each week or...?"
- You set the schedule. Go for it – you'll be glad you did.
